ELECTRONIC SIGNATURE ACKNOWLEDGEMENT FORM

Client Name on Utility Bill: _____

Property Address: _____

By signing this Electronic Signature Acknowledgment Form, I agree that my electronic signature is the legally binding equivalent to my handwritten signature. I acknowledge Energy Outlet will use my electronic signature to act on my behalf. I authorize Energy Outlet to utilize my electronic signature for the purpose of completing all utility incentive paperwork required to secure rebates and/or interconnection to the utility grid. The forms required for signature will depend on the type of energy rebate the host customer is seeking and that for which the property qualifies for, including but not limited to: Energy Efficiency Incentives, California Solar Initiative, New Solar Homes Partnership, Net Energy Metering (NEM) and/or other utility specific programs such as SGIP, TATI, PLS, etc.
